6.2 Print and Digital Copying Guidelines

Ryerson University complies with Canada’s Copyright Act which protects both creators/owners and users of copyrighted materials. Students should familiarize themselves with Ryerson's Copyright policies and procedures, and contact the Copyright and Scholarly Engagement Librarian at copyrt@ryerson.ca for questions, concerns and clarification of the copyright rules.
6.3 Turnitin.com

By taking this course, students agree that all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the terms of use agreement posted on the Turnitin.com site. Students who do not want their work submitted to this plagiarism detection service must, by the end of the second week of class, consult with the instructor to make alternative arrangements.

Please note the following from Policy 145 Course Management Policy:

4.3.1.2 Even when an instructor has not indicated that a plagiarism detection service will be used, or when a student has opted out of the plagiarism detection service, if an instructor has reason to suspect that an individual piece of work has been plagiarized, the instructor is permitted to submit that work in a non-identifying way to any plagiarism detection service.

6.4 Email Communication

Ryerson requires that any official or formal email communication from students be sent from their official Ryerson electronic accounts.

6.5 Video and Audio Recording

No video or audio recording is permitted in class without the express permission of the instructor.

7.0 Ryerson’s Learning Management System

Ryerson University supports Brightspace by D2L as its official Learning Management System. University Policies governing Brightspace have been documented at the Courses @ Ryerson Privacy and Security website.
